

A Holiday Extravaganza

Come In Come In by Abbie Betinis

Come in, come in, come in ye carollers trudging around in the snow,
Come in, come in, sit by the fire (and drink up some cider) and warm up your fingers and toes!

Deck the Halls in 7/8 by James McKelvy

Deck the halls with boughs of holly, Fa la la la la, la la la la.
Tis the season to be jolly, Fa la la la la, la la la la.
Don we now our gay apparel, Fa la la la la, la la la la.
Troll the ancient Yuletide carol, Fa la la la la, la la la la.

See the blazing Yule before us, Fa la la la la, la la la la.
Strike the harp and join the chorus. Fa la la la la, la la la la.
Follow me in merry measure, Fa la la la la, la la la la.
While I tell of Yuletide treasure, Fa la la la la, la la la la.

Fast away the old year passes, Fa la la la la, la la la la.
Hail the new, ye lads and lasses, Fa la la la la, la la la la.
Sing we joyous, all together, Fa la la la la, la la la la.
Heedless of the wind and weather, Fa la la la la, la la la la.

Little Jack Frost Get Lost by Stillman & Ellis, arr. Jacob Narverud

Can't understand why you have to show up every single year,
Listen, you icicle, get on your bicycle and just disappear!

Little Jack Frost get lost, get lost
Little Jack Frost get lost
You don't do a thing but put a bite on the toes
Freeze up the ground and take the bloom from the rose
Oh, little Jack Frost go away, go away
And don't you come back another day,
There's lots of cold feet, all the lovers complain
You turned off the heat down in lover's lane
The bench in the park is all alone in the dark
So, little Jack Frost get lost, get lost
Little Jack Frost get lost

Light by Lisa Loeb, arr. Andy Beck

One, two, three, four, five
Six, seven, eight
Nights celebrate our light

Candles burning bright
Golden and blue
Shining through darkest night

*Let the light shine (let the light shine)
In the window (in the window)
When you think it's almost gone
There is still hope*

When we light the flame
And watch it rise
We're reminded again

White Winter Hymnal by Fleet Foxes

I was following the pack
All swallowed in their coats
With scarves of red tied 'round their throats
To keep their little heads
From fallin' in the snow
And I turned 'round and there you go
And, Michael, you would fall
And turn the white snow red as strawberries
In the summertime

Jingle Bells

*Jingle bells, jingle bells
Jingle all the way
Oh, what fun it is to ride
In a one-horse open sleigh*

Dashing through the snow in a one-horse open sleigh
O'er the fields we go laughing all the way
Bells on bobtail ring making spirits bright
What fun it is to ride and sing a sleighing song tonight

Christmas Valentine by Ingrid Michaelson & Jason Mraz, arr. Andy Beck

Right outside my window all the snow is coming down
The Brooklyn Bridge is blanketed, it's quiet all around
The city lights are blinking bright just like a Christmas tree
That I remember from old Decembers

I've got my favorite jacket on, there's snowflakes in the air
We made a reservation but we'll never make it there
The fire's too inviting, there's nowhere I'd rather be
There's something about you that I'm getting used to

*Baby just be mine
A kinda sorta Christmas Valentine
You're making every day with you and I
Feel like a very merry February
Baby just be mine
Just say you'll be my Christmas Valentine
I wanna make every day a holiday with you*

It doesn't matter rain or shine, in summer or in fall
If all the roses are in bloom or nothing is at all
'Cause love it has no calendar, it's always evergreen
Let's make another reason to love the season

Text Me Merry Christmas by Javerbaum & Schlesinger, arr. Alan Billingsley

This holiday you'll be far away and I'll be all alone
So please remember this December to fully charge your phone

And text me Merry Christmas, let me know you care
Just a word or two of text from you will remind me you're still there
You don't have to add much to it, one smiley face will do
Baby text me Merry Christmas cause I'm missing kissing you

Text me Merry Christmas, make my holiday complete
Though you're far from me, say you'll brb, that's a text I'll never delete
Choose just the right emoji, one that makes me lol
And if you text me something naughty I promise I won't tell

I don't care if you spell things right
I just want to hear from you tonight
Stroke those keys with your delicate touch

And type those little words that mean so much!

Hi
Hey
How are you
Ok
Miss you
Miss you too
Xmas sucks without you
I know lol
Love you
Love you
Kthxbye

A Facebook message isn't quite as sweet
A need more from @you than just a tweet
A snap on Snapchat doesn't last
And voicemail? That's from Christmas past!

Text me Merry Christmas, send a selfie too
If you do, I'll go 'neath the mistletoe and pretend my screen is you
Show me that you love me, text xo to kiss and hug me
I'll be right here waiting for my pants to start vibrating
Baby text me Merry Christmas and I will text you too
This Christmas it's the least that we can do
Merry Christmas!

The Chanukah Song by Adam Sandler

Time to take out the menorahs
Put on your yarmulke
It's time for Chanukah
So much funukah
To celebrate Chanukah
Chanukah is a festival of lights
Instead of one day of presents we have 8 crazy nights
So when you feel the only kid in town
Without a Christmas tree
Here's a new list of people who are Jewish
Just like you and me
Winona Ryder
Drinks Manischewitz wine
Then spins a dreidel

With Ralph Lauren and Calvin Cline
Guess who gives and receives
Loads of Chanukah toys
The girls from Veruca Salt and all 3 Beastie Boys
Lenny Kravitz is half Jewish
Courtney Love is half too
Put them together
What a funky bad-ass Jew
We got Harvey Keitel
And flash dancer Jennifer Beals
Yasmine Bleeth from Baywatch is Jewish
And yes her boobs are real
Put on that yarmulke
It's time for Chanukah
Two time oscar winner Dustin Hoffman
Celebrates Chanukah
OJ Simpson
Still not a Jew
But guess who is
The guy who does the voice for Scooby Doo
Bob Dylan was born a Jew
Then he wasn't but now he's back
Mary Tyler Moore's husband is Jewish
Cuz we're pretty good in the sack
Guess who got Bar Mitzvahed
On the PGA tour
No I'm not talking about Tiger Woods
I'm talking about Mister Happy Gilmore
So many Jews are in the show biz
Bruce Springsteen isn't Jewish
But my mother thinks he is
Tell that Daryl Lamonaka.
It's time to celebrate Chanukah
It's not pronounced CHA-nukah
The C is silent in Chaunkah
So read your hooked on phonicahs
Get drunk in tiajuanakah
If you really really wannakah
Have a happy happy happy happy Chanukah
Happy Chaunkah

Please Come Home for Christmas by Charles Brown & Gene Redd

Bells will be ringin' the sad, sad news
Oh, what a Christmas to have the blues
My baby's gone, I have no friends
To wish me greetings once again

Choirs will be singin' Silent Night
Christmas carols by candlelight
Please come home for Christmas, please come home for Christmas
If not for Christmas, by New Year's night

Friends and relations send salutations
Sure as the stars shine above
But this is Christmas, yes, Christmas, my dear
Some time of year to be with the one you love

So won't you tell me you'll never more roam?
Christmas and New Year's will find you home
There'll be no more sorrow, no grief and pain
And I'll be happy, happy once again

Let It Snow, Let It Snow, Let It Snow by Jule Styne, arr. Kirby Shaw

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow! Let it snow! Let it snow!

It doesn't show signs of stopping
And I brought some corn for popping
The lights are turned way down low
Let it snow! Let it snow! Let it snow!

When we finally kiss goodnight
How I'll hate going out in the storm
But if you'll really hold me tight
All the way home I'll be warm

The fire is slowly dying
And, my dear, we're still goodbying
But as long as you'd love me so
Let it snow! Let it snow and snow!

Season of Light by Jacob Narverud

Come sit by the fire and share stories of old
Bright visions of time and of wonders we're told
Surrounded by comfort and stillness of night
We live in the memories of the season of light.

Come join in the cheer of the fresh falling snow
Where wonder and radiance sets hearts all aglow
For a moment on earth all that's wrong turns to right
And we're warm in the spirit of the season of light.

Throw the Yule Log On, Uncle John by P.D.Q. Bach

**the one where a comma makes all the difference...*

Throw the yule log on, Uncle John/Throw the yule log on Uncle John
Put the pickle down, Uncle John/Put the pickle down Uncle John

Ten o'clock on Christmas morn & all the guests are coming to the door;
Ten o'clock on Christmas morn & Uncle John's already on the floor.
Though the weather's bitter cold there's not a frown to mar the festive mood;
Wait 'til they discover that old Uncle John has eaten all the food.

Hear the hall clock strike, Uncle John/Hear the hall clock strike Uncle John
Please won't you come to Uncle John/Please won't you come to, Uncle John

I Love the Winter Weather/I've Got My Love to Keep Me Warm arr. Mac Huff

I love the winter weather
So the two of us can get together
There's nothing sweeter, finer
When it's nice and cold I can hold my baby closer to me
And collect the kisses they give to me
I love the winter weather
Because I've got my love to keep me warm

The snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm?
I've got my love to keep me warm.

I can't remember a worse December

Just watch those icicles form
What do I care if icicles form?
I've got my love to keep me warm

Off with my overcoat, off with my glove
I need no overcoat, I'm burning with love

I love the winter weather
So the two of us can get together
There's nothing sweeter, finer
When it's nice and cold I can hold my baby closer to me
And collect the kisses they give to me
I love the winter weather
'Cause I've got my love to keep me warm
Take the summer, you can have a ball
I like the springtime, even the fall
But I guess I like the winter best of all!

Bring Me Love by John Legend, arr. Ed Lojeski

I don't need my stocking filled with toys
And I don't need no gifts to bring me joy
Baby, I haven't hung my mistletoe
'Cause without you, baby, I can't see no point

*Baby I hope Santa brings you to me
'Cause it's all I wished for this Christmas Eve
No, I don't want much, your love is all I need
Baby, I hope Santa brings you to me*

*Hope he's bringing me love this Christmas (love this Christmas)
'Cause I deserve you here (deserve you here)
Bring me love this Christmas (love this Christmas)
'Cause I've been good this year*

I don't wanna light this tree alone (no, no, I can't)
I can't sing Christmas songs if you're not home
No, I haven't hung my mistletoe
'Cause without you, baby, I can't see no point

It's been so cold since you've been gone (been gone)
This winter seems so long (so long)
And I can't get in no spirit
It feels so wrong
